

PIPERS WAITE CONDOMINIUM ASSOCIATION LANDSCAPE APPROVAL REQUEST FORM

Thank you for taking the time to complete this application. The Pipers Waite Board appreciates your cooperation.

The Pipers Waite Landscape Committee will review your request to ensure that your new plantings support our goals to:

- Create a common landscape design with a varied palette throughout the community.
- Revitalize our landscape and minimize maintenance by selecting plantings that are Florida and landscaper friendly.
- Maintain a visually coherent and safe environment.
- Protect and enhance Pipers Waite's appeal and the value of Pipers Waite's property.

To be considered for approval, perennial plantings must be designed in conjunction with the Board's designated landscape consultant, Angela Maraj, Botanica Fine Gardening.

Request date _____

Unit address _____

I/we request approval for the following landscape design. Attach landscape design schematic (by Angela Maraj for perennial plants) and summarize below:

I/we acknowledge that the new plantings will be the property of Pipers Waite and will be maintained by the Board's designated landscaping company, currently TruScapes.

Owner's name(s):

(Please print)
